

18<sup>th</sup> February 2019

Andrew Ng Siew Teong  
Director and Founder  
ElShaddai Centre Berhad & Migrant Ministry Klang

Dear Andrew,

## **LETTER OF ENDORSEMENT FOR THE 3<sup>RD</sup> NATIONAL DIASPORA SYMPOSIUM 2019**

We take great pleasure in highly recommending the 3<sup>rd</sup> National Diaspora Symposium 2019 that will take place in Kuala Lumpur.

The inter-denominational NDS embodies elements that Malaysian CARE considers very important:

- Collaborating ecumenically and crossing geographical boundaries as a united body of Christ
- Empowering local churches and to respond to the diaspora communities in the contemporary context
- Equipping Christians and especially diaspora leaders through focused training to be a visible expression of the Gospel to the migrants and refugees in God's love, compassion and justice

Meaningful inclusion of the diaspora community in the local churches demands a great depth of consideration from the participants. We are encouraged to see the NDP providing opportunities for comprehensive discussions. Hands on workshops enable participants to consider God-centered and diaspora-focused interventions that we can implement practically in contextualised settings for lasting impact.

We take great pleasure in collaborating with Migrant Ministry Klang in organising NDS and joining the global diaspora movement, and encourage others to do the same.

.....  
Wong Young Soon  
Executive Director  
Malaysian Care
